

Action needed by September 10th

Welcome Back to School!

We hope that your students' year has kicked off well and they are enjoying being back in school. We are reaching out with some important information regarding our school district's federal grant funding and local educational programs.

This year our School Nutrition Program will operate a Seamless Summer Option, which means all students are provided meals at no cost through June 2022. A meal application is not required to receive the free meal benefit.

However, the application is utilized for more than meal service. Your children can benefit from many other services through the application process, including:

Based on the guidelines below, your children may qualify, and your school needs your help.
