Burnt Hickory Families and Community Members:

Welcome to Burnt Hickory Elementary! We are thrilled to have you as a new WOLFPUP! My name is Kristi Davis and I am honored to be the new principal of Burnt Hickory. This is my 20th year as an educator, all of which have been in the Paulding County School District. My most recent school leadership experience has been as the principal of Poole Elementary. Recently, I walked the halls of Burnt Hickory and was immediately drawn into the sense of pride and investment all staff members have in students and the school. I am eager to become a part of that culture.

As a mom of two school aged children on the North campus, I understand the importance of working together to provide students with the best educational experience possible. My goal is to provide leadership, support, and opportunities which empower students to reach their highest potential while preparing them for a successful future.

It is truly a privilege to be able to work with such a dedicated, committed staff and supportive community to make this year the best ever! I look forward to meeting new families, seeing smiling faces, and celebrating successes in the 22-23 school year. Please do not hesitate to reach out with questions, concerns, or suggestions. Looking forward to an awesome year!

Sincerely,

Kristi Davis, Principal
