

Northside Elementary School Construction

Northside Elementary School Addition Project

- 
- An aerial photograph of Northside Elementary School. The main school building is a long, single-story brick structure with a grey metal roof. A new, larger addition is visible in the foreground, featuring a white roof and brick walls, with some construction equipment and materials around it. The school is surrounded by green grass, trees, and parking lots. An American flag is visible on a pole in the bottom right corner.
- **Northside Elementary School will receive a new addition with an anticipated completion of Summer 2025.**
 - **GMC Architects was contracted to design this project in the December 2023.**
 - **RK Redding Construction Company has been contracted as the Construction Manager to complete this project.**

Northside Elementary Addition Project – Scope

- 
- An aerial photograph of Northside Elementary school. The main building is a long, single-story structure with a grey metal roof and brick walls. To the left, there is a playground with a blue slide and a green field. To the right, there is a parking lot and a flagpole. The background shows more trees and a clear sky.
- **A 20-classroom addition is planned, bringing the school to a grand total of 64 classrooms to accommodate the growing community.**
 - Includes new special education suite.
 - Includes restrooms, staff workroom, and storage.
 - Includes modifications to parking and driveways to accommodate new building and provide additional parking and vehicle queueing.
 - Includes enclosed connection to main building for enhanced safety and security.

Northside Elementary Addition Project – Next Steps

- **Site Work for Addition – Summer 2024**
- **Substantial Completion for Construction of Addition – July 2025**
- **Move-in for Addition – July 2025**
- **Open Addition for First Day of School – August 2025**
- **Project Close-out – Fall 2025**
