Paulding County School District
Work-Based Learning
4th Grade Tiny House Challenge
Contest Rules:

Tiny House Design Rules

1. Tiny home models must be three-dimensional, fit on a base no larger than 2 feet by 2 feet and be no taller than 2 feet. Entries larger than these dimensions will NOT be accepted!

2. Tiny Homes can be built of any materials you would like to use, including, but not limited to:
   - **Wood**
   - **Cardboard**
   - **Plastic**
   - **Rock**

3. Submissions must include and labeled:
   - **Drawing of what you built (Tiny House Design Plan submitted through Canvas)**
   - **List of materials used (Tiny House Material List submitted through Canvas)**
   - **Tiny home model you have created**

4. Tiny homes will be judged on the following criteria (rubric available on PCSD Work-Based Learning website at https://www.paulding.k12.ga.us/Page/46715
   - **Overall appearance and design**
   - **Originality/Creativity**
   - **Workmanship/Technique**
   - **Level of Difficulty**

5. Drawing, material list, other documentation and video presentation of no more than 3 minutes including below bullets must be submitted through Canvas:
   - **Guided tour of your Tiny House**
   - **Explanation of how Tiny House was built**
   - **Interesting features of Tiny House**
   - **Anything else you would like to share**

#pctinyhouse challenge was designed to create awareness of available careers in our community and develop employ-ability skills needed for the workforce of the future.
