

# The "MUST-KNOWS" ABOUT 3<sup>RD</sup> GRADE

## **READING**

Your child will receive whole group, small group, and individual attention in reading. Please read with your child each night or have them read aloud to you. It is amazing what a difference just 20 minutes a day of reading will make in his/her education. There will be reading homework assigned each week.

## **MATH**

Math will be taught through whole group, small group, and individualized instruction. There will be opportunities for hands-on learning, pencil/paper tasks, and fluency practice. There will be homework in math each week. Please help your child memorize basic multiplication and division facts.

## **HANDWRITING**

Neat, legible handwriting is very important. Please enforce neatness on your child's work. We will be working on D'Nealian cursive later in the school year.

## **OTHER ACADEMICS**

Social Studies and Science will be incorporated into the reading, writing, and math curriculum.

## **COMPUTERS**

There are student computers in our classroom that will be used daily to enhance instruction. If you would like your child to use their own device, please complete the Bring Your Own Technology (BYOT) form.

## **HOMEWORK**

3rd grade homework will be given. It may or may not be digital. We will need to be flexible this year. It will consist of math review and 15 – 20 minutes of reading.

## **SPECIAL CLASSES**

Students will attend Physical Education, Music, Art, Guidance, and Media Center on a rotating schedule. A calendar will be sent home to let you know the specials rotation for each month. Please make sure that your child wears tennis shoes on P.E. days. Specials are 9:45 – 10:20 daily.

## **SNACK**

We will have a working snack each day. Please send a healthy, easy to eat snack (no spoons); drinks must be clear liquid only. Students will not have access to water fountains except to fill a reusable water bottle. Please make sure that your child brings a water bottle to school each day. Please make sure that the water bottle is labeled with your child's name.

## **COMMUNICATION**

*Newsletters will be sent home electronically. We will also use Remind for communication.* For 3<sup>rd</sup> grade specific information sign up at [rmd.at/nesgrade3](http://rmd.at/nesgrade3) or text @nesgrade3 to 81010.

## **EMAIL**

Reaching us by phone is often difficult; therefore, we encourage you to email us. Many times, we can get a response back to you much quicker by email than by phone. If you need to speak to us, messages can be left with the office from 7:30-3:30. We will get back to you as quickly as possible. Please DO NOT email transportation changes during the day; all changes must go through the front office.

## **DISCIPLINE**

Our classrooms are **positive** places and reward appropriate behavior. While each teacher may track behavior differently in the classroom, students will have the same consequences. Students will begin on green each day. If misbehavior occurs, a warning will be given. If the behavior continues, the student will move to yellow and the consequence will be 2 laps at recess, further misbehavior will move the student to orange and will result in 4 laps at recess with parent contact, and further problems will result in a move to red which causes the student to "behave out" of the classroom (visit another place), 6 laps at recess, and parent contact. In addition, each classroom will use a system to reward positive behavior and students will be able to earn items or passes.

\*Paulding Elementary Virtual Academy (PEVA) students will also use a reward system for positive behavior.

### **MEDICATION AT SCHOOL**
