

HOW TO USE:

.....

Supplies Needed:

- Roll and Race game board for each player
- Game pieces such as math cubes, counters, or crayons to color in the boxes
- 1 dot cube to share

Instructions:

- Roll the dot cube.
- Solve the first equation in the row.
- Cover the equation with a counter or color in the box.
- Keep rolling and solving until someone reaches the top of a column first!

Options:

- Students can play with a partner or independently.

Ways To Use:

- Use for math centers, morning work, homework, sub plans, time fillers, math small groups and more!

TABLE OF CONTENTS:

This resource includes 20 Roll and Race game boards to help your students strengthen their addition and subtraction fact fluency within 20.
